IS EDGEFIELD SATISFIED?

The Evidence is Convincing.
The Testimony is Open to Investigation.

Before a statement can be accepted here, it must be supported by local testimony—by the evidence of Statements from unknown people in remote places may be true, but we cannot prove them. Here is a statement by an Edgefield resident:

T. J. Paul, Jeter St., Edgefield, says: "My trouble was brought on by being on my feet so much. There were dull pains in my back and I tired easily. If I was on my feet any length of time my back would get sore and lame. My rest was broken at night because my kidneys acted too often. I got Doan's Kidney Pills at Penn & Holstein's Drug Store and after using them I was cured of the backache and other symptoms of kidney June 9, 1914).

On February 8, 1918, Mr. Paul said: "I have had no occasion to use a kidney medicine since I recommended Doan's Kidney Pills some years ago."
